Way of Life!

Energy. Harmony. Perfection.

WHAT DRIVES YOU?

Is it space, economy, and safety?
The convenience of a hatchback?
Or is it the thrill of dynamic, powerful
design and technology that work in
perfect synchronicity?

With perfectly-designed, sleek
curves inside and out, unmatched
space, and attention to detail,
the appeal of the Baleno is crystal
clear. The Baleno's advanced driving
technology gives you a rush of
pulse-pumping satisfaction,
and delivers a driving experience
like no other.

BALENO

PASSION THROUGH DESIGN

The Baleno is a car that reflects your drive, your pace, and your passion, with a low, wide design that gives you a sense of constant movement – even when you're standing still.

A car for the individual, the attention to detail inside and out reflects the true personality of its driver: forward moving and always in pursuit of perfection.

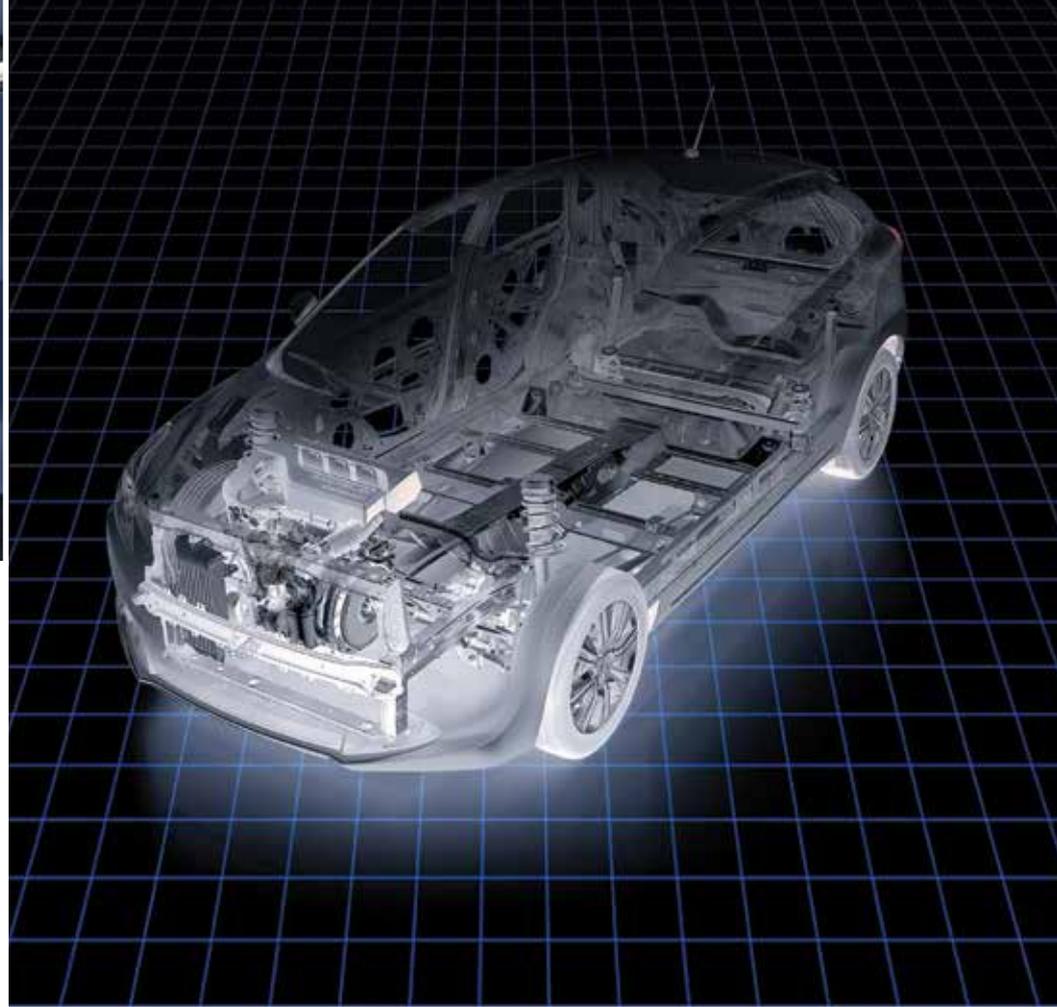

HARMONY AND COMFORT

With class-leading cabin space, the Baleno is a charismatic hatchback that gives you freedom to move your way. The generous luggage capacity and comfort of the interior create an environment that's hard to leave when you arrive at your destination. Perfection is reflected inside and out.

PERFECT EXHILARATION

The Baleno offers outstanding performance and makes driving fun by merging the merits of a light and rigid new-generation platform and a strong and highly efficient powertrain. Once you take off, you'll want to keep on going.

**Let the Baleno
move you.**

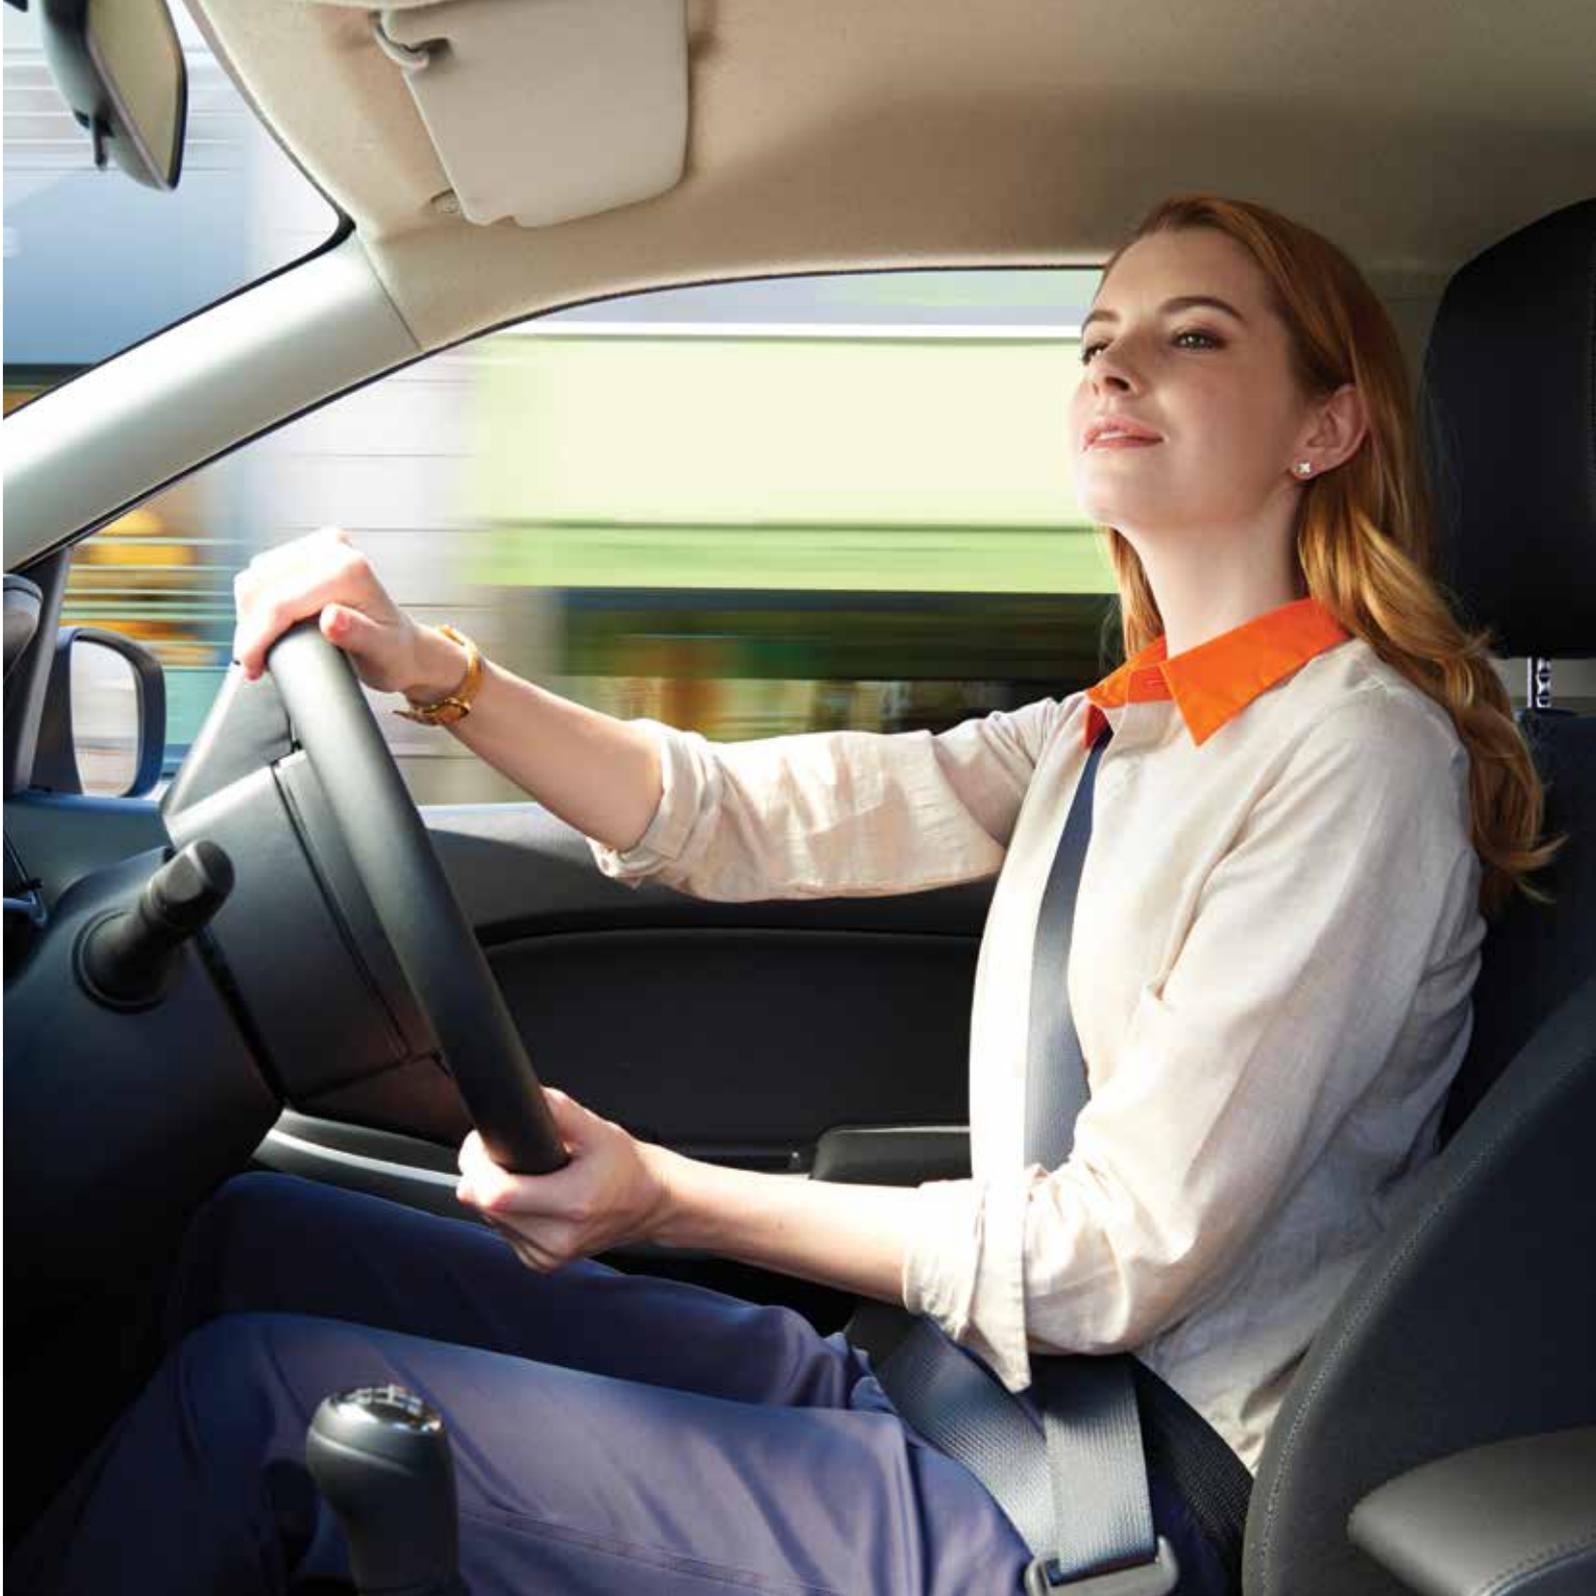

ACHIEVE DRIVING HARMONY

The interior of the Baleno is as revitalising as the exterior, with a host of driver-comforts and controls to make your drive exceptional.

- Displays traveling fuel-efficiency and average past fuel-efficiency.
- Displays power and torque in real time.
- Displays average vehicle speed and average past vehicle speed.
- Indicates proximity to objects when rear parking sensor is in operation.
- Displays driving time, driving distance from engine-on to engine-off, and distance to refuelling.

FEEL THE MOTION

The cabin carries through the wide and low design of the car's shapely exterior, giving an expansive and roomy interior that is rounded off to perfect class. The instrument panel brings innovation to the smooth design, and accentuates the cockpit with easily-operated audio and air conditioning controls.

LET THE MUSIC MOVE YOU

With the wide range of infotainment capabilities, you can choose any soundtrack, from any device, and make your playlist as versatile as your car.

SYNCHRONISE YOURSELF

The In-dash DVD Multimedia AV receiver with 6.2" Touchscreen display allows you to keep all your in-drive requirements in one simple interface. With DVD playback, Bluetooth integration with supported voice calling, and control for iPod/iPhone and supported Android smartphones.

The Pioneer AppRadio and AppRadioLIVE feature allows you to integrate mapping (Waze and Navmii), media (including photos), news information, and calendar events in one synchronised platform.

CONDITIONS OF PERFECTION

The Baleno's unique circular A/C display with a high-contrast LCD panel (GLX) increases visibility of the automatic air-condition system status. The GL grade comes with a manual air conditioner.

PERFECT CONTROL

The cruise control system (GLX) gives you a new level of convenience, especially when driving on highways. Set your speed, and keep moving effortlessly, efficiently, and with an energetic undercurrent that will keep the thrills coming.

BALENO

INTUITIVE DESIGN. PASSIONATE EXECUTION.

The Baleno is designed in harmonious unity, with all its details and constructed elements drawing together to create the ultimate experience in technology and design.

COMFORT AND ENJOYMENT: A PRIORITY IN THE BALENO DESIGN

With a body-length of only 3,995mm, the interior is incredibly spacious. The rear seats offer plenty of leg room and shoulder room, and even adults can ride comfortably in the back.

DESIGNED FOR PEOPLE, PERFECTLY

The best-in-class 355ℓ luggage storage capacity allows you to decide how far you will let your passion take you, and pack accordingly. With easy-to-use stowing compartments, comfort is something you can expect from the Baleno.

Intuitive Design. Passionate Execution

PASSIONATE PERFORMANCE

The Baleno's 1.4ℓ engine is designed to maximise energy efficiency and increased running power, for an invigorating and stimulating driving experience. The intake VVT, cylinder head, and piston crowns are designed to keep your fuel economy at an optimum, enhanced and supported by a great aerodynamic body.

ENERGETIC TRANSMISSION

The Baleno is available in a 5-speed manual transmission, with a smooth and precise shift feel and optimal gear ratios that benefit fuel-economy. A 4-speed automatic transmission is available for the GLX grade.

BALENO

**Performance.
Efficiency. Innovation.**

THE NEW-GENERATION HEARTECT® PLATFORM FOR PERFECT FORM

The Baleno's platform is a prime example of evolution and innovation. The smooth and continuous curves of the framework disperse energy and increase rigidity. Weight is reduced, and unnecessary components are eliminated. Cruising, turning, and stopping are taken to the next level in a fundamental framework shift to smooth design.

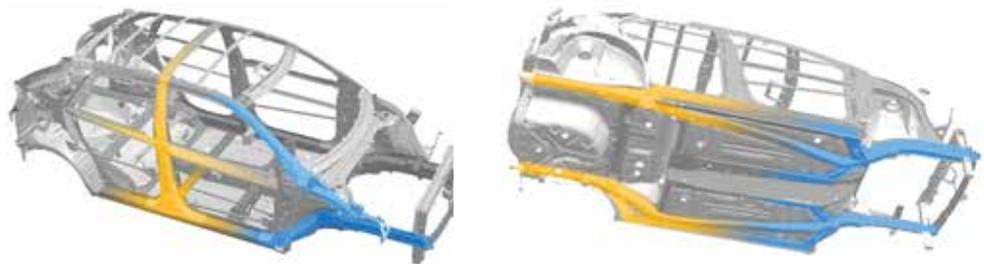

RESILIENT SHAPE

The simplicity of the frame's smooth lines and reduced joint points have allowed the Baleno fewer reinforcements, resulting in lighter weight and dispersing collision energy efficiently.

STABLE HANDLING

The highly-tuned suspension enables you to take corners on the optimal line, and gives you full stability and road-hugging performance on straight roadways. This suspension system gives you a direct response, and phenomenal handling.

HEARTECT

Innovation in Safety

SAFETY IN HARMONY

The preventative and collision safety features are designed to mitigate injury in case of an accident, and give you an added layer of safety on your drive, covering those 'just in case' moments on the road. These features include ABS (Anti-Lock Braking System), and energy absorbing body, pedestrian protection and multiple airbags.

PEDESTRIAN PROTECTION

The cabin is also protected in the event of a collision by a body structure that efficiently absorbs and disperses shocks from the front, side, and rear. The bonnet panel, cowl top, wipers, and bumpers all contribute to this safety consideration.

ABS

Anti-Lock Braking Systems keeps tyres from locking during a sudden, hard brake, and adds stability to evasive manoeuvres. With Electronic Brake Force Distribution (EBD) balancing out the front and rear wheels, your braking stability has never been better.

OCCUPANT PROTECTION

The light, shock-absorbing TECT Body and Airbag System uses SRS airbags for the driver and passenger seats, and the GLX grade adds SRS side airbags, and SRS curtain airbags to provide outstanding protection for vehicle occupants.

COLOUR OPTIONS

The Baleno comes in six colours that highlight the flowing curves and exceptional design. **Choose yours:**

Premium Silver Metallic (ZQS)

Glistening Grey Metallic (ZNZ)

Fire Red (Solid) (Z4Q)

Pearl Arctic White Metallic (ZHJ)

Ray Blue Metallic (Z9Q)

Midnight Black Pearl (ZAM)

EXTERIOR

1 | Side Body Moulding

With silver BALENO logo badge,
paintable

Part No. 990E0-68P07-000

2 | Bumper Corner Protection

Set for front and rear, left and
right side, paintable

Part No. 990E0-68P06-000

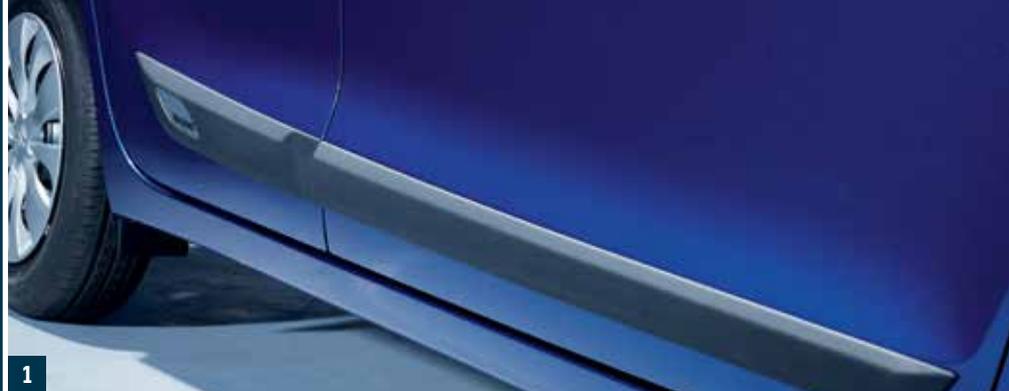

3 | Fender Extension & Side Skirt Set ^{2, 3, 4}

Complete set for one car covering front
and rear fenders including side skirts,
paintable

Part No. 990E0-68P08-000

¹ Not in combination with rear mud flaps flexible
Part No. 990E0-68P14-000, rear mud flaps rigid
Part No. 990J0M68P00-020.

² Not in combination with front under spoiler
Part No. 990J0M68P07-010, rear under spoiler
Part No. 990J0M68P07-020, side under spoiler
Part No. 990J0M68P07-030.

4 | Door Handle Covers

Chrome, set for all four door handles, for cars without keyless go system (with hole for keylock) for GA and GL models, eight-piece set
Part No. 990E0-68P45-000

5 | Rear Hatch Moulding

Chrome design
Part No. 990E0-68P22-000

6 | Fog Lamp Set

Part No. 990E0-68P51-010

7 | Front Fog Lamp Garnish¹

Chrome
Part No. 990E0-68P10-000

8 | Indicator Bulb Set

Set of 2 bulbs 12V21W (PY21W) in chrome design, almost invisible when turned off (without illustration)
Part No. 990E0-61M01-000

³ Not in combination with rear mud flaps flexible Part No. 990E0-68P14-000, rear mud flaps rigid Part No. 990J0M68P00-020.

⁴ Not in combination with front under spoiler Part No. 990J0M68107-010, rear under spoiler Part No. 990J0M68P07-020, side under spoiler Part No. 990J0M68P07-030

PROTECTION

The Baleno is worth taking extra care of, not only because of value retention. The Baleno fires up your instincts and makes you want to keep it pristine and looking as good as the day you bought it. Our technology allows you to do just that.

- 1 | **Rain And Wind Deflector Set, front**
Two-piece set
Part No. 990E0-68P24-000
- 2 | **Rain And Wind Deflector Set, rear**
Two-piece set
Part No. 990E0-68P25-000
- 3 | **Bumper Protection Foil**
Black
Part No. 990E0-68P57-000
- 4 | **Bumper Protection Foil**
Transparent
Part No. 990E0-68P57-001
- 5 | **Inner Loading Edge Protection**
Aluminium optic to protect edge when loading the trunk
Part No. 990E0-68P52-000
- 6 | **Mud Flap Front, rigid⁵**
Paintable
Part No. 990J0M68P00-010
- 7 | **Mud Flap Rear, rigid⁶**
Paintable
Part No. 990J0M68P00-020

- 8 | **Mud Flap Front, flexible⁵**
With Suzuki logo
Part No. 990E0-68P13-000
- 9 | **Mud Flap Rear, flexible⁶**
With Suzuki logo
Part No. 990E0-68P14-000
- 10 | **Parking Sensors, rear**
Set of four sensors and piezo buzzer, can be painted in body colour
Part No. 990E0-68P53-000
- 11 | **Parking Sensors, front**
Set of four sensors and piezo buzzer, can be painted in body colour
Part No. 990E0-61M56-010
- 12 | **Rain Sensor**
Controls the windscreen wipers automatically from ideal interval to first continuous wiping speed
Part No. 990E0-65J81-020
- 13 | **Rear Seat Protective Cover**
For the rear seat upholstery
Part No. 990E0-79J44-000

⁵ Not in combination with fender extension and side skirt set Part No. 990E0-68P08-000, side under spoiler Part No. 990J0M68P07-030. ⁶ Not in combination with fender extension and side skirt set Part No. 990E0-68P08-000, rear under spoiler Part No. 990J0M68P07-020.
