

JUNIOR CORNER

WE HAVE A WINNER!

STUART Blesovsky (11) was the lucky junior whose name was drawn as the 2007 Mariner/SKI-BOAT junior angler of the year. He received his prize of a 2.5hp Mariner outboard, courtesy of Mariner, from Bobby Munthree of Boat-arama in Durban.

Stuart had an awesome September school holiday, first hearing that he'd won the motor which will fit nicely on his row boat, then coming in fifth place at the 2007 Tigerfish Bonanza tournament at Pongolapoort Dam with a 2.76kg fish, and then heading off to Guinjata, Moçambique for a family holiday where he caught a black marlin and a sailfish in one week. That's an achievement many seasoned anglers (including his dad) have yet to manage.

Congratulations, Stuart, we have no doubt at all that SKI-BOAT readers will be hearing a great deal more about your fishing exploits in the years to come.

CALLING ALL JUNIOR ANGLERS!

SKI-BOAT, in conjunction with Mariner Outboards, is proud to offer all junior deep sea anglers the opportunity to win awards for excellence in angling.

If you are 16 years old or younger, and you submit a photograph of yourself and the fish you caught, you will be eligible to receive — in recognition of your achievement — some wonderful goodies from Mariner Outboards.

Upon ratification, all junior anglers who submit entries will receive a handsome certificate suitably inscribed, PLUS an embroidered cloth badge — both confirming the catch achievement.

If the picture you submit is featured on the Mariner Outboards Junior Angler page, you will also receive an additional limited edition Mariner Junior Angler cap which will make you the envy of all your fishing buddies.

And there's more ...

At the end of a year, the names of all junior anglers whose photographs appeared on the Mariner Outboards Junior Angler page will be included in a lucky draw, and the winner will receive, courtesy of Mariner, a fantastic prize of a 2,5hp outboard motor!

All you need to do is send us a photograph of yourself and your catch, together with the following details:

- Your name, address, telephone number and date of birth
- Fish species and weight
- Line class
- Date and place of capture
- Boat's name and skipper

Please note: Photo submissions that were taken with a cellphone will not be eligible to be used on our Juniors page.

All entries should be sent to:
Mariner Outboards Junior Angler
SKI-BOAT Magazine
 PO Box 20545, Durban North, 4016
 or e-mailed to <angler@mags.co.za>

There is no restriction on the number of awards that can be applied for, and SKI-BOAT reserves the right to use the photographs as it sees fit. A selection of five award winners will be announced in each issue of SKI-BOAT, along with their name and photograph.

Junior anglers — Mariner Outboards and SKI-BOAT magazine acknowledge that you hold the future of our sport in your hands. Here's your chance to show us what you can do!
