WHEELS

Volkswagen Genuine Accessories are the perfect compliment to your Volkswagen and are manufactured to the highest standards and from the finest materials. This ensures that when you purchase Volkswagen Genuine Accessories that you are rewarded with high quality products that are safe and durable. These products are the perfect extension of you and your Volkswagen due to their superb blend of functionality, aesthetics and design.

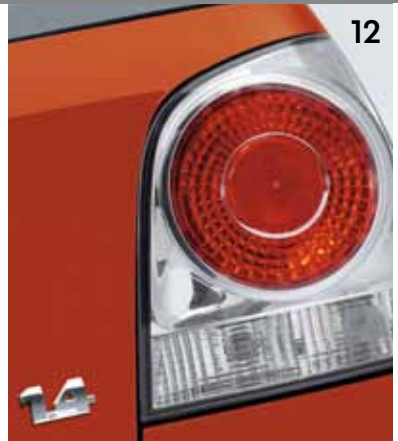

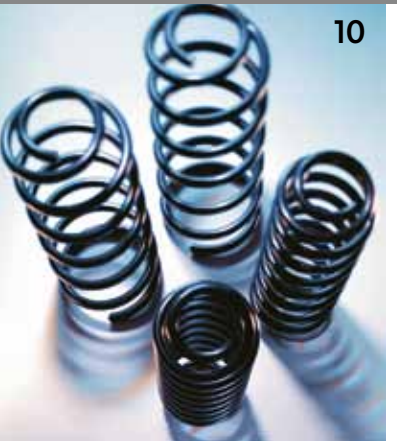

All Volkswagen Genuine Accessories carry a 12-month warranty and having these accessories fitted at a Volkswagen dealership means that it will not affect the warranty of your Volkswagen in any way.
