

New Polo

VOLKSWAGEN GENUINE ACCESSORIES

Volkswagen Accessories: More tests for your safety.

Volkswagen is a brand that stands for quality, safety and innovation. It is a part of history, but it also looks to the future, striving to set trends in development. Volkswagen is a brand that is committed, down to the last detail and this has earned it the trust of millions of people around the world.

More quality

Volkswagen uses the best materials and state-of-the-art production processes to ensure that their already superior products will keep improving.

More safety

Volkswagen has a very clear safety principle: more performance requires more commitment. This is why our testing procedures are more stringent, our demands much higher and our test routes much more difficult than any others.

More Volkswagen

Each Volkswagen Genuine Accessory is developed in conjunction with the vehicle. We pay attention to every detail, big or small, to make sure everything fits perfectly, and you are more than satisfied with the end result.

Sport & Design

Volkswagen Genuine Pedal cap set

The non-slip pedal caps made of brushed stainless steel are a real optical gain. While the high-quality design impresses, the anti-slip coating ensures for good grip. The set comprises accelerator, brake and clutch pedal caps. Only for manual transmission.

Part no. 8N1 064 200

Volkswagen Genuine Front skirt

Sportiness with intent: The aerodynamically formed front skirt signals a powerful dynamic. Additionally, the black inlet in the middle underlines this sportiness additionally. The spoiler made of an especially durable, high-quality plastic is primed and can be painted in the colour of your car.

Part no. 6R0 071 609 GRU

Volkswagen Genuine Side skirt kit

The side skirts give a visual impression of suspension lowering and therefore, provide the Polo with an even more dynamic look. Made of unbreakable and flexible plastic, the side skirts are also able to resist high stress. Both side skirts are primed and can be painted in the colour of your car.

Part no. 6R0 071 685 GRU

Volkswagen Genuine Rear wing

The Volkswagen Genuine rear wing rounds up the sporty tail-end of the Polo. The distinctive shape, characterised by two openings, generates clamping force and is a real eye-catcher. Made of an especially sturdy, impact-resistant polyurethane hard integral foam, the rear wing can also withstand high driving stress. It is primed and ready for painting in the vehicle colour.

Part no. 6R0 071 646 GRU

Volkswagen Genuine Chrome-look rear strip

The attractive rear strip in high-gloss chrome look is not only an attractive eye-catcher, it effectively protects the tailgate edges at the same time. The assembly is carried out easily by glueing onto the bottom edge of the tailgate.

Part no. 6R0 071 360

Volkswagen Genuine Rear skirt

The crowning final: the Volkswagen Genuine rear skirt for the Polo. It underlines the Polo's already distinctive character as well as the overall sporty appearance of the Polo. The rear skirt is made of an especially break resistant and flexible plastic, is primed and can be painted in the colour of your car.

Part no. 6R0 071 610 GRU

Volkswagen Genuine Wheel bolt locking set
This wheel bolt locking set ensures your light alloy wheels have maximum protection against theft.
Part no. 000 071 597

Communication

Volkswagen Genuine Radio navigation system RNS 310 (Figure above)
Exceptional features belonging to the radio navigation system “RNS 310” include the 5SDSq touch screen, accurate navigation, impressive screen quality and an easy to understand 2.5D map display. The “State-of-the-Art” radio with CD drive, SD card reader and AUX-IN socket enables the “RNS 310” to save and play back different file formats, such as MP3 and WMA – even when the route guidance is activated.
Part no. 3C0 057 270

Volkswagen Genuine DVD Voyager 4 multimedia kit
The “DVD Voyager 4” multimedia kit makes driving the Polo a particularly enjoyable experience for all rear seat passengers. The DVD tablet player integrated in the 7SDSq TFT display plays DVDs and CDs in all standard formats as well as MP3s. The flat and light player can be mounted to or removed from the headrest quickly and easily and can be used conveniently in different vehicles. The system is EU crash-tested; the player’s rounded edges minimise any risk of injury in event of an accident. The player securing system holds a child proofing feature that provides additional safety. Also available as a basic or comfort kit.
Part no. 000 063 500 ES

Volkswagen Genuine MEDIA-IN (Illustration shows the MEDIA-IN with iPod adapter cable)
The MEDIA-IN multimedia socket allows you to easily connect your external audio sources (MP3 player, iPods, USB sticks, etc) and play their contents. The device control as well as display of music track titles and playlists is made possible by the factory-fitted car radio or radio navigation system. This feature can only be used in conjunction with the “RCD 310” and “RCD 510” MP3 radios as well as with the “RNS 310” radio navigation system.
Part no. 5N0 057 342
Part no. 000 051 446 A For Mini USB
Part no. 000 051 446 B For USB
Part no. 000 051 446 C For iPod
Part no. 000 051 446 D For 3.5 mm jack

Volkswagen Genuine iPod adapter
Using the iPod adapter, you can connect your iPod to the Volkswagen radio or navigation system. The control and audio output takes place via the radio or navigation system. We recommend that you stow your iPod in the vehicle glove compartment for security and safety reasons. This feature can only be used in conjunction with the “RCD 210”, “RCD 310” and “RCD 510” MP3 radios.
Part no. 1K0 051 444 A

For vehicles with a factory-fitted mobile telephone preparation

Volkswagen Genuine Bluetooth Touch Phone Kit
 The “Touch Phone Kit” provides you with the highest degree on operating comfort with maximum safety. Using the speaker independent voice control and the high quality touch screen, the Bluetooth hands-free system can be controlled as desired. The user interface in Volkswagen Genuine design is an additional eye-catcher. Furthermore, you can play back your MP3s from your mobile phone using audio streaming via the car’s loudspeakers. A separate adapter cable set as well as an AUX-IN adapter are required for connecting the hands-free unit to the radio/navigation system.
Part no. 000 051 473 A

Volkswagen Genuine Bluetooth Touch-Adapter
Part no. 3C0 051 435 TA

Volkswagen Genuine Bluetooth Pairing-Adapter
Part no. 3C0 051 435 PA

Volkswagen Genuine MP3 radio RMT 100

Unified freedom: MP3 radio, USB-Slot, AUX-IN and a Bluetooth hands-free system in one device. With the “RMT 100”, enjoy your favourite music in various formats like Audio or MP3-CD, CD-R, CD-RW, from your USB stick or MP3 player or from your mobile telephone via wireless Bluetooth connection. Its versatility is further enhanced by the possibility of safely using your mobile phone while driving. A special fitting frame is required for the installation.

Part no. 6Q0 051 228

Volkswagen Genuine MP3 Radio RCD 210

The Volkswagen Genuine MP3 radio “RCD 210” combines a noble design with the highest degree of functionality. It delivers excellent sound quality, state-of-the-art radio enjoyment that includes RDS, EON and GALA and several interfaces for connecting different devices like the CD changer. A useful storage shelf finally rounds up the “RCD 210” in terms of practicality and design.

Part no. 5M0 057 156 B

Volkswagen Genuine MP3 Radio RCD 310

For non-stop music enjoyment on all your journeys, the “RCD 310” MP3 radio includes a CD drive and plays all your favourite files in MP3 and WMA formats. With a 4 x 20 watt power output, the “RCD 310” produces a sound that packs a punch. In addition, the surrounding buttons and knobs in a chrome look make the radio a true eye-catcher.

Part no. 5M0 057 186 AA Without digital tuner (DAB)

Part no. 5M0 057 186 AB With digital tuner (DAB)

Volkswagen Genuine MP3 Radio RCD 510

The multi-talent amongst the Volkswagen Genuine radios: the MP3-Radio “RCD 510”. Features include an SD card slot, telephone interface, integrated 6-disc CD changer, GALA, RDS, TIM and TP. A special plus for convenience is provided by the multi-coloured and high-resolution TFT display where the touch screen is also used for operating at the same time. With an output power of 4 x 20 watts, the “RCD 510” provides the enjoyment of real sound.

Part no. 3C8 057 195 Without digital tuner (DAB)

Part no. 3C8 057 195 A With digital tuner (DAB)

Transport

Volkswagen Genuine Roof bars

Well equipped underway – thanks to the Volkswagen roof bar systems. The basis for this are the City-Crash tested roof bars to which, for example, surf boards, bicycles, skis and snowboard holders or the practical roof boxes can be attached.

Part no. 6R0 071 126 For 4 doors

Volkswagen Genuine Roof box

Volkswagen Genuine roof boxes are the epitome of ease and practicality. They come in three different volumes, 310ℓ, 340ℓ and 460ℓ, and are simple to connect to the support rods. The innovative 'DuoLift' system allows you to open the roof box from either side, making loading and unloading effortless. All roof boxes can be locked using the 3-point central locking system. Please make sure you do not exceed the maximum roof load capacity.

Volkswagen Genuine

Bicycle carrier for the towing hitch

The tow-hitch bicycle carrier is an easy and safe way to transport up to two bicycles. The carrier has a quick-release mechanism that allows you to quickly install or remove it, without the use of tools. The carrier is mounted using lockable fastening screws to prevent theft and conveniently folds away, allowing you to open the tailgate without hassle.

Part no. 3C0 071 105 A Bicycle carrier for the towing hitch

Part no. 3C0 071 109 A Extension set for a third bicycle

Volkswagen Genuine Electrical fitting set

The 13-pin electrical fitting set supports the trailer stabilisation programme, ensuring the New Polo tows reliably in any conditions.

Part no. 6R0 055 210

Volkswagen Genuine Surfboard carrier

Part no. 000 071 120 HA

Safety is a work of precision

The musical clock, the bite rings, the book with pictures or the school books, all ages have their own small or larger milestones. Each stage of development has its own challenges. This is the reason we've developed child safety seats for each age group, one that matches the age, mobility and the weight of the child perfectly. All Volkswagen Genuine child safety seats boast unrivalled sitting comfort and simple handling: All covers can easily be removed and can be washed at 30 °C. And the most important point: Each individual Volkswagen Genuine child safety seat provides your child with the highest level of safety; as our testing criteria are much more stringent than legally prescribed and our test procedures much more comprehensive than the ECE Standards.

Volkswagen Genuine Bobsy G0-1 ISOFIX

The Bobsy G0-1 ISOFIX is the safest child seating system available for children weighing up to 18kg (up to 4.5 years). The seat is securely fixed to the vehicle bodywork using the ISOFIX sub-frame, but you can also use it without problems in vehicles without the sub-frame. The child seat can be used from birth if fitted facing backwards, but needs to be fitted facing forwards for children between 9 and 18 kg. The seatbelt is height adjustable and the chair can be placed at six different angles, this flexibility allows you to ensure your child is as comfortable and safe as possible. The sub-frame must be ordered separately.

Part no. 000 019 902 D Bobsy G0-1 ISOFIX

Part no. 000 019 729 D Sub-frame for use facing forwards

Volkswagen Genuine Bobsy G2-3 pro

The Bobsy G2-3 pro is designed for children between 15 and 36 kg (ages 3 to 12). It has an adjustable seat cushion, various height and inclination settings and a height adjustable sleep support system to ensure the belt always fits snugly to your child's body, keeping them safe and comfortable. The Bobsy G2-3 pro has protruding flanks and a special head piece to provide your child with maximum protection, even in the event of a side-on collision. The belt uses a 3-point system to fasten.

Part no. 000 019 906

Comfort & Protection

Volkswagen Genuine Luggage net

Part no. 5N0 065 111

Volkswagen Genuine Luggage compartment inlay

Part no. 6R0 061 160 for Polo with basis load space

Part no. 6R0 061 160 A for Polo with variable load surface

Volkswagen Genuine Luggage compartment loadliner with partitioning elements

The robust luggage compartment protection tray is equipped with three flexible partitioning elements that allow you to safely sort and store goods while driving. The plastic tray, with Polo lettering, fits the luggage compartment perfectly, has a 300 mm high rim to prevent liquids spilling onto the vehicle's floor, and is also washable, slip resistant and acid resistant.

Part no. 6R0 061 162

Volkswagen Genuine Luggage compartment loadliner

Part no. 6R0 061 161

Volkswagen Genuine

Loading sill guard in stainless steel look

Great when an object of design does not only catch your eye but also has a good effect on the value retention of your Polo. The easy to glue loading sill guard made of plastic in a high-quality stainless steel look reliably protects the bumper against scratching when loading and unloading the luggage compartment.

Part no. 6R0 061 195

Volkswagen Genuine Mud flaps, front and back

With extremely high wearing and durable mud flaps for the front and rear wheel arches, your car's under body, bumper and rear is protected against dirt. Dangerous stone chippings and spray water dispersion are also prevented from damaging your car.

Part no. 6R0 075 111 for the front (1 Set = 2 pieces)

Part no. 6R0 075 101 for the rear (1 Set = 2 pieces)

Volkswagen Genuine

Transparent sill protection film

The accurately fitting sill protection from transparent film prevents damage during loading and unloading. Installation is simple, as it only requires glueing onto the loading edge of the rear bumper.

Part no. 6R0 061 197

Volkswagen Genuine

Sill rail film black / silver

The sturdy film protects the paint from the heavily used door sills in the front and rear entrance areas against damage; a reasonable and functional detail that provides you with a positive view of your Polo for ages to come.

Part no. 6R3 071 310 041 for 2 doors (1 set = 2 pieces)

Part no. 6R3 071 310 041 for 4 doors (1 set = 4 pieces)

Volkswagen Genuine

Stainless steel sill protector

The high quality stainless steel sill protectors with stylish Polo lettering ensure that your car's only entry points are protected and makes the appearance of it seem more individual.
