## A new lease on style.

The Polo Sedan has been masterfully sculpted to complement motivated, driven and successful drivers. The new-look exterior is the perfect cover and hints at onlookers that the interior has more to offer. Stylish and contemporary, the Polo Sedan takes compact design to the next level. Spacious, packed with performance and brimming with safety features, this car is ready to take you further – and then some.

Drivers in front of you will make way. A bold new chrome front bumper with a chrome-finished grille make a bold statement in the rear-view mirrors. Those behind you will also be in awe with the sleek rear reflectors stylishly imbedded in the metallic surface. This car radiates accomplishment and owns every bit of the road it covers.

The 15" Tosa alloy wheels with 185/60 R15 tyres (shown above) are standard on the Comfortline and feature an eye-catching 10-spoke design, adding a dynamic, sophisticated touch.

The Polo Sedan's 454 litres of generous boot space is elegantly housed in a stylish, sleek rear design.

---

# Intelligent interior.

The upmarket 'Cloud' cloth trim comes standard and the two whiplash-optimised front head restraints not only ensure additional comfort, but also provide effective support for the head and spine in the event of a collision.

The standard Climatic air conditioner ensures a pleasant temperature throughout your Polo Sedan, whatever the weather outside. The RCD R340G radio, standard on the Comfortline, features Bluetooth and USB functionality, App-Connect and a colour touchscreen, as well as four premium speakers that deliver superior sound quality.

## Interior Features

- Manual air conditioner
- Dust and pollen filter
- 12V power socket in centre console
- Headlight range adjustment, electrical
- Cup holders, 2 integrated into centre console, front
- Front door pockets
- Height-adjustable steering column
- Reach-adjustable steering column
- Dual tone hooter
- Lights on warning buzzer
- Interior courtesy light with delay
- Reading lights, 2 front, 1 rear
- Luggage compartment lighting
- Power steering
- Chrome door handles (Comfortline only)
- Glove compartment with pen, notes, coins and sunglasses holders

Image does not depict the new RCD R340G radio (standard on Comfortline)

# Ready to make every drive unforgettable.

## Safety and Technology

- Dual front airbags with passenger airbag deactivation
- Front and side airbags
- Height-adjustable seat belts for driver and front passenger
- 3-point seat belt for rear outer seat
- ISOFIX child seat mounting points
- Childproof locks on rear doors
- High level brake light
- Warning triangle in boot
- ABS with EBD
- Alarm with back-up horn, towing protection and ultrasonic interior monitoring
- Seat belt reminder warning

## Brakes

- Brake fluid warning indicator
- Electronic Stability Programme (ESP)
- Front disc brakes
- Rear drum brakes

## Security

- Immobiliser
- Remote central locking

Electronic Stability Programme (ESP) helps to correct oversteer, understeer and loss of control of the vehicle. ESP intelligently controls the engine management system to restore traction to individual wheels when it detects a loss of grip (standard on the 1.5 TDI and on 1.6 Comfortline models).

The new rear bumper design comes with rear reflectors and new tail lights in 3D design with new graphics.

Front fog lights not only add a striking look to the front of the vehicle, but provide safety in bad weather or when there is poor visibility (available on Comfortline only).

---

# Driving pleasure, every day.

The Polo Sedan comes with an economical TDI engine option. It's the only Sedan in the segment that comes with one. The 5-speed manual gearbox transmits power with short, accurate shifts and easy handling. The 1.6 Comfortline boasts an optional 6-speed automatic gearbox for an even smoother ride.

The new-generation 16-valve petrol engines are available in 1.4 and 1.6 derivatives. These multi-valve petrol engines offer improved torque delivery, reducing fuel consumption and CO<sub>2</sub> emissions.

At speeds of over 30 km/h, cruise control (standard on the Comfortline) keeps your selected speed constant, enabling you to relax on longer journeys, without having to keep an eye on your speedometer.

- 16" Mistral alloy wheels (Comfortline only)
- Rain sensor with auto-dimming interior mirror (Comfortline only)
- LED headlamps with separate LED daytime running lights (Comfortline only)

\*Fuel consumption and CO<sub>2</sub> emissions values were obtained in accordance with the prescribed uniform measuring standard (SANS 20101: 2006 / ECE R101: 2005 in its currently applicable version). The verified values do not apply to a specific vehicle and do not constitute part of the product offer. They are provided solely for the purposes of comparison between different vehicle models. Because of the need to maintain strict comparability of results achieved by the standard tests, they cannot be fully representative of real-life driving conditions. Variations in driving styles and in road, vehicle and ambient conditions, will have a bearing on the results achieved on the road. For these reasons consumption achieved on the road will not necessarily accord with these verified values.

Based on lightest variable (no options) and 90% tank filling. Weight may vary depending on options fitted to vehicle.

Dimensions, capacities and abilities apply to standard vehicles.
