VOLKSWAGEN GENUINE ACCESSORIES

**Das Auto.**

## Volkswagen Accessories: More tests for your safety.

Volkswagen is a brand that stands for quality, safety and innovation. It is a part of history, but it also looks to the future, striving to set trends in development. Volkswagen is a brand that is committed down to the last detail and this has earned it the trust of millions of people around the world.

### More quality

Volkswagen uses the best materials and state-of-the-art production processes to ensure that their already superior products will keep improving.

### More safety

Volkswagen has a very clear safety principle: more performance requires more commitment. This is why our testing procedures are more stringent, our demands much higher and our test routes much more difficult than any others.

### More Volkswagen

Each Volkswagen Genuine Accessory is developed in conjunction with the vehicle. We pay attention to every detail, big or small, to make sure everything fits perfectly, and you are more than satisfied with the end result.

## Sport & Design

### Volkswagen Genuine Wheel arch extension

The wheel arch extensions not only emphasise the powerful side lines of the New Touareg, but also provide additional protection for the wheels.

**Luggage compartment load-liner with partitioning elements and lid**

The robust luggage compartment protection tray is equipped with three flexible partitioning elements that allow you to safely sort and store goods while driving. The plastic tray, with Touareg lettering, fits the luggage compartment perfectly, has a 300 mm high rim to prevent liquids spilling onto the vehicle's floor, and is also washable, slip resistant and acid resistant.

**Part no. 7P0 061 162**

**Volkswagen Genuine**  
**Luggage compartment load-liner**

The practical luggage compartment load-liner fits perfectly into the New Touareg's luggage compartment, helping you keep the area clean. It is washable, anti-slip, acid resistant and has an approximately 4 mm high rim on both sides and the rear to prevent liquids from spilling onto the floor. Comes with Touareg lettering.

**Part no. 7P0 061 161**

**Volkswagen Genuine**  
**Luggage compartment inlay**

This light and flexible inlay is made to fit perfectly into the contours of the luggage compartment and has an approximately 5 cm high rim on the sides and rear to provide protection against dirt and moisture. The diamond pattern on the surface of the luggage compartment inlay provides anti-slip and if the inlay is not needed it can simply be rolled up and put away to save space.

**Part no. 7P0 061 160**

**Volkswagen Genuine**  
**Transparent protective film**

Transparent Volkswagen Genuine protective film is a clear, protective guard that fits precisely to painted entry points, preventing scratches and giving you peace of mind.
